CITIZENS CHARTER

Main focus of the Government Medical College & Associated Hospital, Rajouri is to provide high quality patient care services and quality medical education. The associated hospital of GMC Rajouri has total bed strength of 300. Expansion plans for additional 200 beds are going on despite the constraint of land in hilly terrain of Rajouri. OPD in various specialties are fully operational and now the patients have better access to round the clock health care services.

The college has taken up 100 MBBS student for the academic session 2019-20 and has fully functional lecture theatres and practical laboratories.

This college is also planning to start B.Sc. in the stream of Medical Lab Technology, Dialysis Technology and operation Theatre Technology in the upcoming session.

All inpatients receive treatment by team of Resident Doctors and Nurses available round the clock, under the supervision and guidance of faculty members of GMC Rajouri.

Hospital Attendants are available in different wards to help inpatient care and related activities.

The College provides various facilities including:

- Dialysis facilities
- General Medicine
- Surgery
- Radiotherapy
- Pediatrics
- Obstetrics & Gynecology
- Neonatology
- ENT
- Radiology
- Orthopedics
- Ophthalmology
- Dermatology

BLOOD BANK:

GMC Rajouri has a licensed state of the art Blood Bank that functions 24 hours a day and provides facilities for blood donation, storage and issue of blood. Strict precautions are taken and taken and screening is done to prevent any blood borne infection. Blood is provided to the patients on replacement basis.

AMBULANCE:

Ambulance facility is available to transfer patients to other hospitals or meet any exigency / disaster situation.
